

## REQUEST FOR DUAL BUS STOPS

Under certain conditions Mattawan Consolidated Schools may agree to pick and drop off elementary school children at not more than two locations within the typical bus routing system. The service is provided for purposes of **child care only**. The service is **not** provided for other sports or any extra-curricular activities.

This form must be completed if a parent/guardian requests that a child be picked up and dropped off at different locations. A request will be honored for the current school year. Please complete **all** parts of this form. Any questions, please call the Transportation Department at Ext. 1740.
