

Senior Picture Specifications

Deadline to submit senior photos: December 13, 2019

Senior photos must be submitted using eShare (see below for instructions).

Photos submitted via email, CD, or hard copy will not be accepted; therefore, will not be published in the yearbook.

How to submit your Senior Photo using eShare:

1. Go to www.hjeshare.com (must include www.)
2. Enter the school code (code is case sensitive): mcats
3. Follow the steps to upload and submit your senior photo

Your senior photo must:

- Be a .jpeg file
- Be saved with the file name: Last name, First name.jpeg
 - Example: John Smith's image file name would be: Smith,John.jpeg
- We strongly prefer head shot/upper body shots; please understand that if you submit a full body shot that it will be cropped for continuity purposes.

Tips:

- Submit the largest version of the photo you have, we can shrink it if need be
- Make sure the picture focuses on your student's face. The pictures in the yearbook are small in comparison to what you see on your computer, so a picture of their whole body makes it so we can't even see their smiling face! (Note: we will NOT accept pictures without the student's face in them)
- All clothing and other content in the picture must be school appropriate.

Any photos submitted after December 13, 2019 will not be accepted. If you have not submitted a senior photo on or before December 13, 2019 your school picture (taken on picture day) will be used.
